

The Alumni session :

## **What Life after IRIXYS ? Leveraging Scientific Skills for Addressing Emerging Technologies**

14:50-15:00 : Welcoming

15:00-16:20 : Part I

Merza Klaghstan, (**Irixysian 2011-2016**) : Industry Cloud: opportunities to jump in the industry

Yulian Yang , (**Irixysian 2011-2014**): How does Industrial Data Intelligence Shape a Beijinger's work and life ?

Hatem S. Mousselly(**Irixysian 2011-2014**) : Machine Learning in the Industry: Lesson Learned

Lyes Limam (**Irixysian:2008-2014**) One day back from the industry...

16:20-16:40 : Coffee Break

16:40 -18:20 : Part II

Victor Charpenay(**Irixysian 2013-2019**): Why the Web of Things Isn't a Research Topic

Tarek Awwad(**Irixysian 2015-2018**) : On Block chain interoperability

Albin Petit(**Irixysian 2013-2017**): IT challenges for running and operating a wind and solar Power forecasting system based on artificial intelligence

Benjamin Planche(**Irixysian 2013-2020**) : Physics-Based Differentiable Depth Sensor Simulation

Maximilian SCHIEDERMEIER(**Irixysian 2017-2018**) : PhD experience in Canada
